LAVA TECHNOLOGY

BEIJING LAVA TECHNOLOGY CO., LTD.

WHO WE ARE

ABOUT LAVA TECHNOLOGY

China-based product supply and sourcing support for global mining customers.

Not just a product list.
A practical China sourcing partner.

INDUSTRY FOCUS

Drilling, mobile mining equipment, replacement parts and wear consumables.

SUPPLY APPROACH

Selected manufacturing resources, technical clarification and export coordination.

PROCUREMENT SUPPORT

Model, part number, drawing and application-based sourcing enquiries.

Zoey | zoey@lavabiz.com | +86 150 0112 3083

Ryan | ryan@lavabiz.com | +86 176 1517 0604

LAVA TECHNOLOGY
BEIJING LAVA TECHNOLOGY CO., LTD.

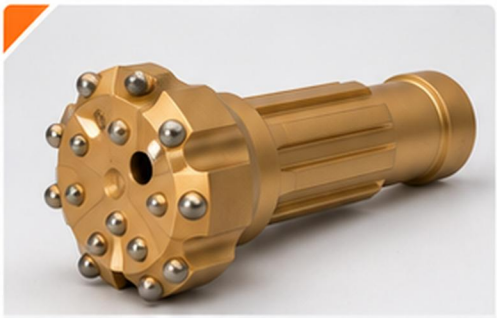

SURFACE MINING / ROCK DRILLING

DRILLING & BLASTING

Consumables and equipment for drilling, quarrying and blast-hole preparation.

CORE SUPPLY AREAS

DRILLING TOOLS

DTH, top hammer & tricone

DRILLING EQUIPMENT

Rigs and portable air supply

BLASTING SYSTEMS

Controlled civil blasting range

Product selection and availability are confirmed against the application and technical requirements.

ZOEY zoey@lavabiz.com | +86 150 0112 3083 | **RYAN** ryan@lavabiz.com | +86 176 1517 0604

LAVA TECHNOLOGY
BEIJING LAVA TECHNOLOGY CO., LTD.

DRILLING & BLASTING

ROCK DRILLING TOOLS

DTH, top hammer and rotary drilling tools matched to the drilling system.

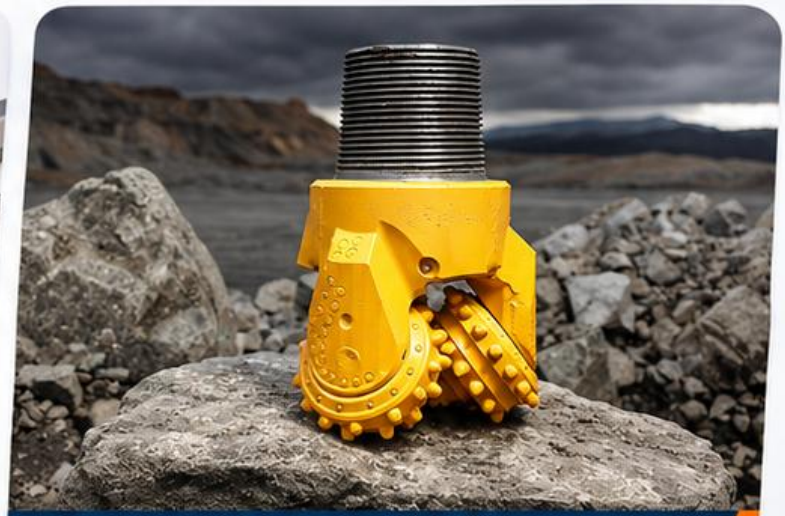

DTH Bits
Button type / diameter

DTH Hammers & Pipes
Hammer and thread matching

Top Hammer Tools
Bits / rods / couplings

Rotary Tricone Bits
Bit size / formation / IADC

FOR ENQUIRIES

Share your rig model, bit diameter, thread / shank and rock condition.

ZOEY *zoey@lavabiz.com | +86 150 0112 3083*

RYAN *ryan@lavabiz.com | +86 176 1517 0604*

LAVA TECHNOLOGY
BEIJING LAVA TECHNOLOGY CO., LTD.

DRILLING & BLASTING

DRILLING EQUIPMENT

Rig and compressed-air equipment options for field drilling applications.

Surface Drilling Rigs

Configuration by application

Portable Air Compressors

Pressure and flow matching

FOR ENQUIRIES

Tell us the hole diameter, required depth, pressure and air volume.

ZOEY zoey@lavabiz.com | +86 150 0112 3083

RYAN ryan@lavabiz.com | +86 176 1517 0604

LAVA TECHNOLOGY

BEIJING LAVA TECHNOLOGY CO., LTD.

DRILLING & BLASTING

CIVIL BLASTING SYSTEMS

Product categories for legally authorized mining and civil blasting projects.

ELECTRONIC DETONATORS

NON-ELECTRIC DETONATORS

Shock-tube initiation systems

CIVIL BLASTING SUPPLY

REGULATED PROJECT SUPPLY

Detonators and related blasting equipment require supplier checks, licensing and destination-country approvals. No unrestricted supply is implied.

ZOEY zoey@lavabiz.com | +86 150 0112 3083

RYAN ryan@lavabiz.com | +86 176 1517 0604

LAVA TECHNOLOGY
BEIJING LAVA TECHNOLOGY CO., LTD.

SURFACE MINING / LOADING SYSTEMS

EXCAVATION & LOADING

Ground-engaging wear parts and selected excavator service components.

CORE SUPPLY AREAS

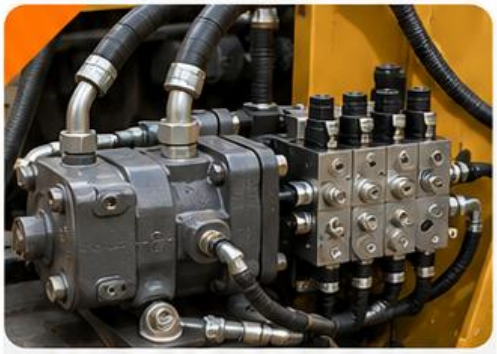

GROUND ENGAGING

Bucket teeth, adapters & blades

EXCAVATOR DRIVES

Travel and swing systems

HYDRAULIC PARTS

Pumps, motors & valves

Product selection and availability are confirmed against the application and technical requirements.

ZOEY zoey@lavabiz.com | +86 150 0112 3083 | **RYAN** ryan@lavabiz.com | +86 176 1517 0604

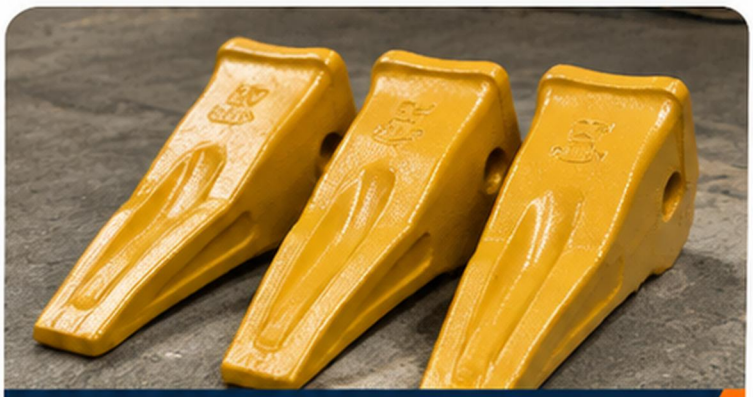

LAVA TECHNOLOGY
BEIJING LAVA TECHNOLOGY CO., LTD.

EXCAVATION & LOADING

GROUND ENGAGING TOOLS

Wear parts for rock contact, bucket protection and loading applications.

Bucket Teeth
Profiles by bucket / application

Tooth Adapters
Fitment and retention system

Cutting Edges & Blades
Dimensions and mounting holes

Mining Buckets
Size and design by equipment

FOR ENQUIRIES

Send bucket photos, tooth system, dimensions or part numbers for matching.

ZOEY *zoey@lavabiz.com | +86 150 0112 3083*

RYAN *ryan@lavabiz.com | +86 176 1517 0604*

LAVA TECHNOLOGY
BEIJING LAVA TECHNOLOGY CO., LTD.

EXCAVATION & LOADING

EXCAVATOR SPARE PARTS

Selected aftermarket drivetrain and hydraulic replacement components.

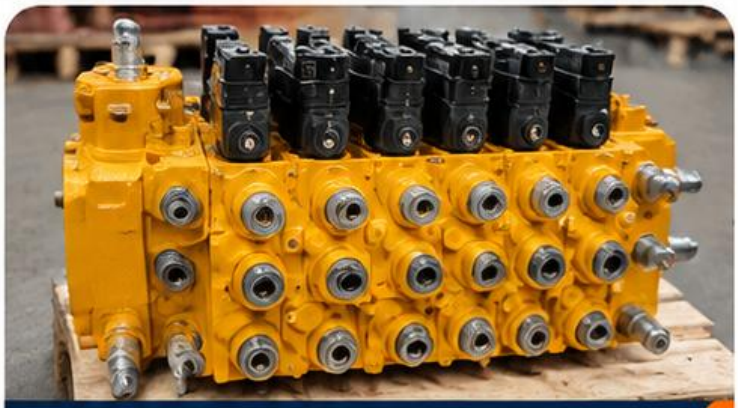

Final Drives
Model & part number

Travel Gearboxes
Reduction assemblies

Hydraulic Pumps
Pump model / displacement

Control Valves
Valve part number

FOR ENQUIRIES

Machine model, part number or clear nameplate photos are the best starting point.

ZOEY zoey@lavabiz.com | +86 150 0112 3083

RYAN ryan@lavabiz.com | +86 176 1517 0604

LAVA TECHNOLOGY
BEIJING LAVA TECHNOLOGY CO., LTD.

SURFACE MINING / HAUL TRUCKS

MINING HAULAGE

Heavy-duty components for off-highway truck drivetrain maintenance.

CORE SUPPLY AREAS

WHEEL-END SYSTEMS
Electric wheel / final reduction

AXLE SYSTEMS
Rear axle and differential

OVERHAUL COMPONENTS
Gears, bearings & seals

Product selection and availability are confirmed against the application and technical requirements.

ZOEY zoey@lavabiz.com | +86 150 0112 3083 | **RYAN** ryan@lavabiz.com | +86 176 1517 0604

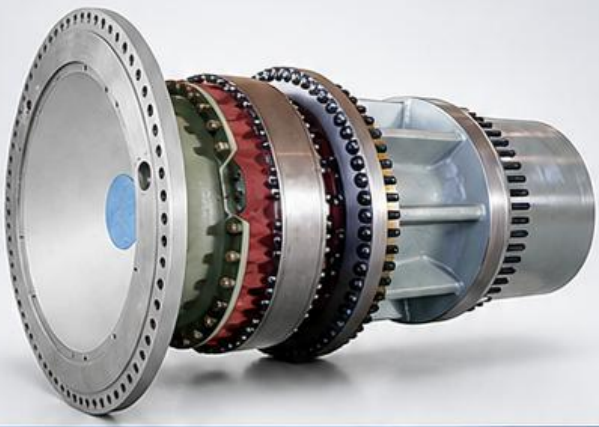

LAVA TECHNOLOGY
BEIJING LAVA TECHNOLOGY CO., LTD.

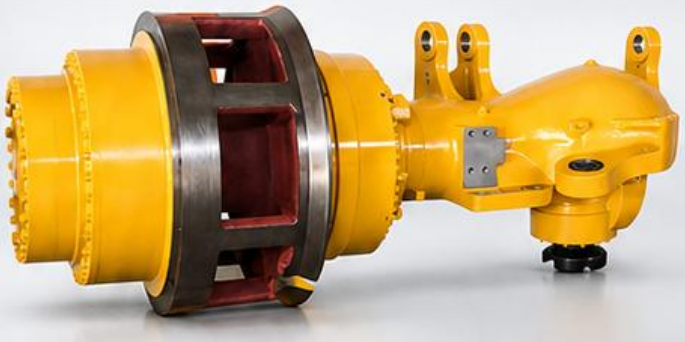

MINING HAULAGE

MINING TRUCK DRIVETRAIN

Replacement assemblies and overhaul components for heavy-duty haul trucks.

Wheel-End Assemblies
Wheel motor / reduction units

Rear Axle Assemblies
Axle / carrier / shaft

Differential Components
Gear sets / differential

Related Overhaul Parts
Bearings / seals / gears

FOR ENQUIRIES

Please provide truck make/model, part number, photos or technical drawings.

ZOEY zoey@lavabiz.com | +86 150 0112 3083

RYAN ryan@lavabiz.com | +86 176 1517 0604

LAVA TECHNOLOGY
BEIJING LAVA TECHNOLOGY CO., LTD.

SURFACE MINING / MATERIAL REDUCTION

CRUSHING & WEAR PROTECTION

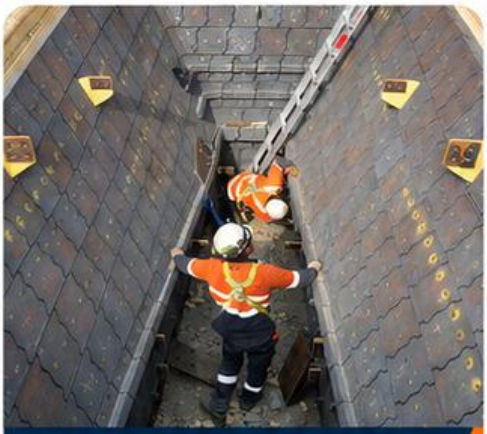

Selected wear protection options for crushing systems, chutes and hoppers.

CORE SUPPLY AREAS

CRUSHER WEAR
Selected replacement castings

CHUTE & HOPPER
Liners for abrasive material

WEAR-RESISTANT
Ceramic and composite options

Product selection and availability are confirmed against the application and technical requirements.

ZOEY zoey@lavabiz.com | +86 150 0112 3083 | **RYAN** ryan@lavabiz.com | +86 176 1517 0604

LAVA TECHNOLOGY
BEIJING LAVA TECHNOLOGY CO., LTD.

CRUSHING & WEAR PROTECTION

MINING WEAR PARTS & LINERS

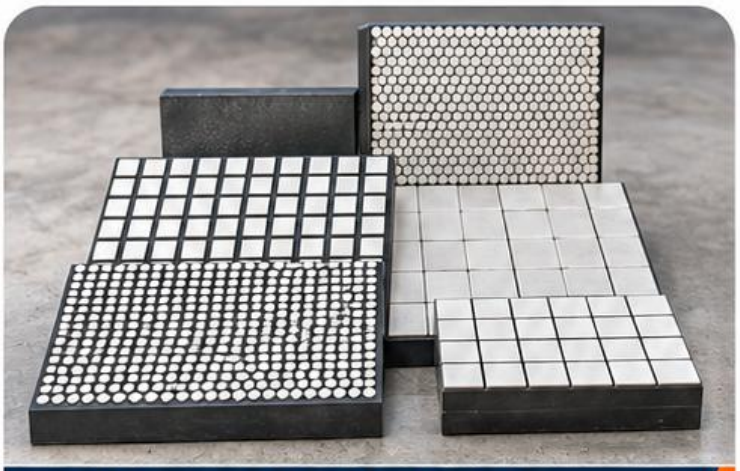

Real component examples; part matching depends on the equipment and wear application.

Selected Crusher Wear Parts
Drawings / material required

Ceramic Liners
Tiles / wear panels

Rubber-Ceramic Liners
Impact and abrasion protection

Chute & Hopper Liners
Lining by drawing / site size

FOR ENQUIRIES

Share the wear location, dimensions, drawings and operating conditions.

ZOEY zoey@lavabiz.com | +86 150 0112 3083 | **RYAN** ryan@lavabiz.com | +86 176 1517 0604

LAVA TECHNOLOGY
BEIJING LAVA TECHNOLOGY CO., LTD.

UNDERGROUND OPERATIONS

UNDERGROUND MINING & GROUND SUPPORT

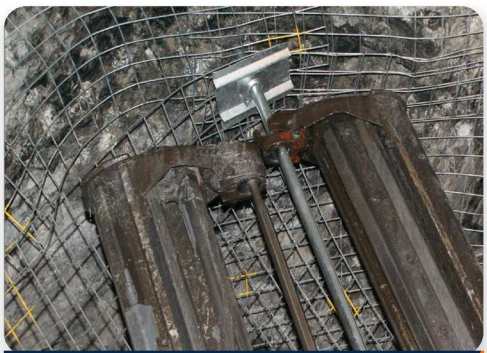

Ground-control materials and selected underground cutting consumables.

CORE SUPPLY AREAS

ROCK SUPPORT
Bolts, anchoring & resin

SURFACE RETENTION
Mesh, straps & steel support

CUTTING CONSUMABLES
Picks and service wear items

Product selection and availability are confirmed against the application and technical requirements.

ZOEY zoey@lavabiz.com | +86 150 0112 3083

RYAN ryan@lavabiz.com | +86 176 1517 0604

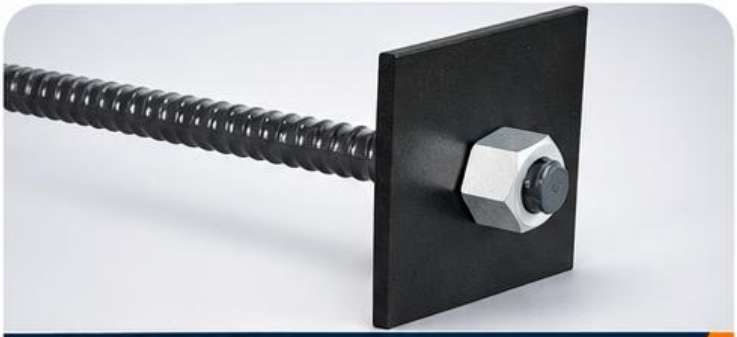

LAVA TECHNOLOGY
BEIJING LAVA TECHNOLOGY CO., LTD.

UNDERGROUND MINING

GROUND SUPPORT PRODUCTS

Underground reinforcement systems and maintenance consumables.

Rock Bolts
Thread / plate / nut system

Resin Cartridges
Setting characteristics

Wire Mesh
Mesh size / wire diameter

W Straps
Profile / length

Steel Supports
Section / drawing

Cutting Picks
Machine / holder / grade

FOR ENQUIRIES

Send drawings, support specifications, equipment model or purchase list.

ZOEY zoey@lavabiz.com | +86 150 0112 3083 | **RYAN** ryan@lavabiz.com | +86 176 1517 0604

LAVA SERVICE

CHINA SOURCING & PROCUREMENT

Not listed in our catalog? Let us review your purchasing requirements.

YOUR PROCUREMENT PARTNER IN CHINA

PRODUCT REQUIREMENT
Machine model, part number, drawing or specification.

SUPPLIER MATCHING
Identify a relevant manufacturing or supply resource.

TECHNICAL CLARIFICATION
Confirm compatibility, configuration and documentation.

QUOTATION & EXPORT
Coordinate quotations and shipment requirements.

Start with one part number, a spare-parts list or a clear application brief.
